PRB,

Yes, this is the final galley copy of the manuscript. *There will be no more changes.*

I apologize, I received the final quote and photo for the book later than I expected. THIS IS THE FINAL GALLEY COPY OF THE MANUSCRIPT.

Please accept my apology for the continued additions. As of this e mail, the manuscript is complete and in galley format.

Thanks,

Kevin Shipp (b)(6)

The CIA Publications Review Board has received your manuscript entitled, "From the Company of Shadows (b)(6)". This is in addition to your portion entitled, "From the Company of Shadows (Final Addition)" submitted on 7 August 2012.

The Board requests that you please certify that these portions will complete your submissions for "From the Company of Shadows." If this is not to be the case, the Board requests that you wait until the final manuscript is completed and submit the completed (full) version for review. The Board will take no action on these portions of the manuscript until we receive your verification that we now have your completed manuscript and that no additions will be forthcoming.

The Board's policy is to only review completed manuscripts. To date, you have provided multiple versions of the manuscript with additional modifications and additions on a regular basis. We cannot continually start and stop our review process based on these frequent changes. Please advise when your modifications to the manuscript have come to an end so we can begin our review process.

The PRB may be contacted at (b)(6) if you have any questions or if we can be of further assistance. (b)(3) CIAAct
